BÜHLER + SCHERLER

MAIN POST OFFICE IN FRAUENFELD

Customer
Post Real Estate
Management und Service AG
Regio Ost
8080 Zürich

Description
The historic old building from 1898 is being repurposed. The post office wing, built in 1979/1980 and in need of renovation, will be removed and replaced by a modern, Z-shaped new building in Minergie standard.

In addition to the new main post office, other usable areas will be created for offices, stores and apartments.

Task
Electrical planning

Execution
2014 - 2018
