
WIENERBERG RESIDENTIAL AND NURSING HOME

Customer
Association Wienerberg residential and nursing home, St. Gallen

Description
Structural and operational deficiencies as well as altered social conditions have prompted the Wienerberg association to assume a new operational concept.

To this end, the two older A and Z buildings will be replaced by a new building for housing "residential units with basic services" to complement the existing service offering.

Task
Electrical planning

Execution
2014 - 2020
